

NAME: Andy Swaisgood

TITLE: Customer Care Coordinatiator

MY WHY

I love helping people become the best version of themselves. Helping give people the confidence to chase their dreams while still staying grounded in their rituals and routines that they feel comfortable in.

MY ROLE

- Conduct customer satisfaction research for individuals and their families, community partners, and county board staff.
- Design and direct continuing education by developing and conducting training on latest best practices in our field of work.
- Cultivate a positive work culture, using trauma informed care.
