DID YOU KNOW?

Updated guidance is now available outlining requirements for the delegation of nursing tasks, consistent with Ohio Board of Nursing rules in Ohio Administrative Code 4723-13. The guidance includes an overview of what qualifies as a nursing task, when nurse delegation is required, and the responsibilities of the delegating nurse.

An updated Nursing Statement of Delegation sample form is also available and can be found in the link below.

January 2026 Waiver Updates

All three of DODD's waivers, Individual Options, Level 1, and SELF, will be updated in the area of Assistive Technology. These changes come from ongoing engagement with families, people served, advocates, and providers. They are designed to better match supports to individual needs and improve how services are described and delivered. To learn more about the changes, click below.
