Helpful Hints when Considering QA Med Reviews!

1 **Self-Administration Assessments must be completed for all HealthRelated Activities!**

Check out this guidance on the 13 DODD approved Health-Related Activities

2 **ALL Health-Related Activities require physician's orders!**

Take a look at Category 1 Med Certification info on HRAs and physician orders.

3 **PRN medications must have a clear reason for administration with individual specific symptoms.**

Please refer to our Sample Guide for properly written PRN orders.

Annual Skills Checklists for Med Certified Staff

- Skills Checklists are to be completed and maintained by **Agency Providers and Independent Provider**

- They should be maintained with the staff member's current certification.

- Annually, it is the employer's responsibility to ensure the Skills Checklists are performed and monitored a cording to agency policy and procedure. Independent Providers may obtain their annual skills check off through their recertification classes.
